A Guide to the Odds of Winning on South Dakota Video Lottery Games

This guide lists the odds of winning for each of the different types of games currently offered on video lottery machines in South Dakota. The odds were compiled by an independent gaming lab at the request of the South Dakota Lottery. Please keep in mind that the odds of winning will depend upon the payable for that game and, in the case of draw poker and blackjack games, the player's strategy.

State law specifies that you must be 21 or older to play video lottery. As always, the South Dakota Lottery reminds you to play responsibly.
