The drawing will have 20 winners.

IV. ELIGIBILITY REQUIREMENTS

- A. Entrants must be at least eighteen (18) years old to participate and win a prize.
- B. Persons may enter up to 40 tickets per day on the Players Club webpage or Lottery mobile app. Each ticket may only be entered once. An attempt to submit an entry that has already been submitted will generate an error message informing the player that the entry has already been submitted and may not be resubmitted. The eligibility of the winning entry shall be determined by the Lottery after the drawing through a verification process. In the unlikely event of duplicate winning entries, the Lottery shall employ investigative measures to determine by activation, sell and entry date of ticket, and other verifiable means the validity of the entries to declare a single winning entry.
- C. The South Dakota Lottery will not be responsible for data entry errors from the entrants. The risk of loss for the electronic non-delivery, late delivery or failure of receipt for ticket information entered electronically in the promotion remains with the entrant, regardless of the cause of transmission failure.
- D. Entries are ineligible if:
 - 1. The Lottery is unable to determine the owner of the entry.
 - 2. Is received after the ending entry date.
 - 3. Any ticket is shown to be of stolen status, unissued, counterfeit in whole or in part, mis-registered, defective, printed or produced in error, multiple printed, or fails any of the Lottery's confidential validation tests.
 - 4. If the entry/account does not have a valid mailing address.

V. METHOD OF PROCESSING ENTRIES

- A. All entries must be received through the Players Club website at <http://lottery.sd.gov/players/login/> or through the official South Dakota Lottery App. Once an entry has been successfully submitted into a 2nd Chance promotion, it is no longer eligible to be entered into any other 2nd Chance promotion.

- B. Entries received via internet will be secured in a database maintained by BIT (Bureau of Information and Telecommunications) and Lottery personnel for the purpose of conducting the drawing or obtaining information necessary to assist drawing entrants. BIT provides a number of internal security measures to ensure that online entries are secure. Data collected in the course of the promotion is stored on secure servers within a guarded limited access hosting facility and access to data is protected by a variety of security products. The Director of Security for the South Dakota Lottery has been made aware of these security procedures and has deemed them acceptable for the purposes of this drawing.

- C. Internet entries are processed 24 hours a day, seven days a week, from the date and time the promotion begins until the final deadline of the final drawing for which entries are eligible to be submitted. Each entry record contains a date stamp to indicate when it was submitted by the entrant.

- D. Each internet entry will be validated by Lottery Security, if selected.

- E. All internet-generated entries are retained in the entry database for the duration of the promotion, regardless of whether or not they are selected in the drawing, to ensure that any entry cannot be submitted more than one time during the course of the promotion.
