Leaving an Establishment?

If you are an Operator pulling your terminals from an establishment, please remember to notify Scientific Games.

This is an important step, as Scientific Games will pick up the communications equipment and also ensure that your billing cycle is closed. This will ensure that you are not charged for communications fees after you leave the establishment.

If you are pulling your machines from an establishment please contact Barry Greenberg or Yasna Guneyusu of Scientific Games by email at Barry.Greenberg@scientificgames.com or Yasna.Guneyusu@Scientificgames.com.
