

VIDEO LOTTERY GAME ODDS

This guide lists the odds of winning for each of the different types of games currently offered on video lottery machines in South Dakota. The odds are compiled by independent gaming labs at the request of the South Dakota Lottery. Please keep in mind that the odds of winning will depend upon the pay table for that game and, in the case of draw poker games, the player's strategy.

State law specifies that you must be 21 or older to play video lottery. As always, the South Dakota Lottery reminds you to play responsibly.
